1855

NOTICE.

A Meeting will be held on Monday evening, 26th inst., at eight o'clock, precisely, in the Board of Trade Room, St. Lawrence Hall, of the present Stockholders of the Toronto Royal Hotel Company, and others favourable to the enterprise. As matters will be brought before the Meeting, of the greatest importance to the City, and for the immediate erection of a first class Hotel, although upon principles different from those originally intended by the Charter, it is hoped a large number of persons feeling an interest in the welfare of the City will be present.

JOHN MAULSON,

Secretary, T. R. H. Co., &c.
